

## WHAT I LOVE ABOUT SEA RANCH

Crashing waves that send salt spray shooting up into the sunlight. Expansive blue water views. Majestic redwoods. Wild azaleas and irises. Classic architecture set among protected commons. A community cherished by Sea Ranchers who love and care for our environment and each other. Beach walks, celebrations, cultural events, activities, volunteering - there's something for everyone. You come for the views, but you'll stay for the people.
